2016 BEGINS

In the first newsletter for 2016 we welcome back returning and new members alike to the Warwick Greenwood Junior Football Club.

The kids are back at school from next week and our hearts and minds turn to the quieter and gentler time when they aren't cracking cricket balls into the neighbour's yard, arguing over the TV/Playstation/Xbox or complaining about being asked to do anything that might help out. As of next week they are the teacher's problem, at least for a few hours during the week.

That sort of stuff aside the real deal starts.... Junior Football!!

As the most important of preliminaries to all this the club will be having its **Registration Day for 2016 is Sunday 21 February between 10 am and 2.00 pm at Ellersdale Park.**

[Online registration](#) is now operating just hit the link or for Auskick aged children (1st July 2007 to 30 June 2011) follow [this link](#) or follow the news and links on the club website

<http://www.warwickgreenwoodjfc.org.au/>

Alternatively you can come to Ellersdale Oval on Sunday February 21st between **10-12pm** for Auskick players or for Modified and Open Players between **12-2pm**. There will be a sausage sizzle and drinks available to purchase on the day.

For those that don't know Warwick Greenwood Junior Football Club offers three participation levels for football and the associated year levels; fee's and included benefits are as follows:

PRESIDENTS FIRST WORD

Welcome back to Warwick Greenwood Junior Football Club for the 2016 season.

WGJFC is looking to build on previous success in recent years by continuing to focus on good administration, high standards and a constructive approach to increased success on the playing field.

Our team numbers have been stable for the last four years which is an indication of how the club is going. As a club which firmly believes we should be fielding at least one team in every age level of the Pathway, we had one team in each pathway age / year level last year, which is the club's initial goal for the start of this season and aim to increase Auskick numbers from the 212 we had last season.

Coming up, we have launched a new initiative for sponsors being a \$100 donation in order to have the opportunity to be one of two major sponsors of the club in 2016. Full details are overleaf and on our website and we encourage all self-employed / small business operators to consider giving it a go or promoting it to friends or family that might benefit from club sponsorship if they are successful.

Other areas earmarked for improvement by the Committee in 2016 include:

- develop a more inclusive club environment from Auskick to 17's
- new positions on the committee, with general committee members allocated designated tasks
- recruit new people (from our growing Auskick families) to the committee who ideally do not have major club commitments at a team level
- implement our strategy to enhance the skill levels of both our players and our coaches
- improve the Ellersdale club rooms
- Modernise the club playing strip

Our Registration Day is on Sunday 21 February. Ahead of Registration Day we have also confirmed coaches in all year groups bar one through to Yr 12 and are currently working with candidates for the outstanding position. If you have a child in Year 6 please contact Lincoln on 0416 690 445 if you are interested in coaching this side.

Club pre-season also starts next Thursday under the strong guidance of our Coaches Coordinator Bill Morris, and all players from Yr 8 up are encouraged to get along to these weekly sessions to build their Fitness base.

All that said and done I want to finish by reminding all of our players and their families and supporters of the Vision, Values and Mission of Warwick Greenwood Junior Football Club (WGJFC):

WGJFC Vision – *To be the Champion Junior Football Club in the Subiaco District.*

WGJFC Values - *Fair Play, Determination, Discipline, Honesty, Personal and Team Achievement.*

WGJFC Mission - *To provide a positive, safe and professional football development environment.*

As a club we are committed to trying to deliver on all that we have set out to achieve. We also strongly support a fair go for all and that the playing environment is one in which good sportsmanship and constructive behaviour by all is the norm.

The Committee and I thank you for your ongoing support and contribution to the club and look forward to Warwick Greenwood Junior Football Club having a great year in 2016.
